reviewers and adopters have praised john santrock s a topical approach to life span development text for its themes of research applications and contexts and students have loved it for its pedagogy and accessible writing building on these strengths the third edition features more than 2 100 citations from the 21st century and new careers in life span development boxes

this text covers conceptual information leadership skills and current issues and trends it provides clear and concise information about the best practices and quality improvement for the most common clinical conditions seen in home care cover

accurate reliable engaging these are just a few of the words used by adopters and reviewers of john santrock s child development the new topically organised fourteenth edition continues with santrock s highly contemporary tone and focus featuring over 1 000 new citations the popular connections theme shows students the different aspects of children s development to help them better understand the concepts used by hundreds of thousands of students over thirteen editions santrock s proven learning goals system provides a clear roadmap to course mastery

choice recommended read this thoroughly revised new edition updates sheila greene s original transformative account of the psychological development of girls and women and the central role of time in shaping human experience greene critically reviews traditional and contemporary theoretical approaches ranging from orthodox psychoanalysis to relational and post modern theories and argues that even those that claim to focus on development have presented a view of women s lives as fixed and determined by their nature or their past these theories she believes should be rejected because of their inherent lack of validity and their frequently oppressive implications for women essential but often neglected insights from the more compelling developmental and feminist theories are woven together within a theoretical framework that emphasizes temporality emergence and human agency the result is a

liberating theory of women's psychological development as constantly emerging and changing in time rather than as static and fixed by their nature socio cultural context and personal history updated for a new generation of readers the psychological development of girls and women will continue to be essential reading for students and researchers in the psychology of women developmental psychology and women's studies
